It has been a busy start to the Term and still many items to get through before the end of Term 1. As we reach over halfway through the Term it is a time to reflect at some minor achievements and celebrations. I will start with a thank you to all of those parents who have attended our recent parent teacher information sessions. All staff were very impressed with the amount of parents who attended these sessions and it shows what a great school Charlestown East is with large parent involvement.

A second achievement was to all of our Y3-6 students who attended the recent school Swimming Carnival. All staff were very impressed with the amount of students as well as the commitment shown from all students throughout the Carnival. It was also great to see so many parents attend and in particular those parents who helped volunteer with timing and place getting. I can quote one of student saying, ‘that was the best Swimming Carnival ever!’ All students had a lovely day and this was due to the organisation from Mr Voorby, as well as the support by the stage 2 and 3 staff. It is lovely to see how proud the children are of themselves. Well done CEPS students!

A third celebration is that we now have a canteen in operation on Thursday and Friday of every week. I was also impressed that our parent volunteers are not just all Mums, in fact to my great surprise on Friday I saw the fantastic effort of three male helpers Mr Wong, Mr Stewart and Mr Hobbins all working hard. We have a photo showing the “Man Power” in action. This commitment is greatly appreciated by students and the bonus is that it brings in revenue to the P&C who helps support the school.

In relation to P&C they recently held a BBQ fundraiser at Bunnings, this was a great success raising $1,292.00. These events raise money from outside of the school environment and again go back into supporting programs or equipment for students at Charlestown East. Thank you to all of those involved.

These are just a few examples of our whole community working together. Ongoing communication between school and home is critical to ensure parents know what events are coming soon. This was emphasised during the parent teacher sessions our major form of communication is still through the written form including notes as well as messages within the School Bulletin. Take time to read the valuable information as well as important dates. In this Bulletin we have added a calendar with dates to help with parent organisation. Any feedback to this initiative is welcome.

As we look forward there are many more celebrations to come. Last week our school had technicians to come and install our DEC Wi-fi network. This new Wi-Fi network should all be in place and turned on within two weeks. Once in operations students and teachers will have access to the Wi-Fi network in every classroom. This was made possible with the efforts of our previous Year 6 who helped to raise funds towards this gift towards the school. Once installed this will allow students to have new ways of accessing rich resources and high quality digital content within a secure environment.

Our current Year 6 students are busy making plans to fundraise for the remaining second instalment of this major project. Please keep on supporting the Year 6 fundraising initiatives which go back into supporting the students at Charlestown East. There next major fundraiser is the School Disco on Tuesday 11th March, we all look forward to seeing you there.

Look at the Man Power within the CEPS canteen! It’s great to see our male volunteers working to help support the students at Charlestown East Public School.

**CLASS BULLETIN NEWS**

**K/6A**
We are delighted to welcome Susan Henderson as the new School Learning Support Officer (SLSO) in our classroom. Susan has experience with special education and the children are settling in well with their new SLSO. We still see Mrs Foster, next door in K-6C, so we are beautifully looked after on both sides!

**K/6C**
K/6C has been working well during maths. We have been concentrating on solving word problems. Cosmic Yoga is a highlight of our week as we get to stretch and move our body in all sorts of shapes. Congratulations to all K/6C students for working so well.

**KM**
KM has a great collection of ‘Shoe Boxes’. Each child has decorated a box to put his/her sound work in. They look very spiff! Parents of KM and K1B enjoyed a lovely afternoon tea together on Friday. We hope that this will be a happy year for them as well as their children!

**K/1B**
We are busily rehearsing songs for our Grand+Parents concert on March 20th. We hope you can join us as we show off our singing talents! Tomorrow the kindergarten children will be celebrating their first colour day - red. The Kindergarten children have begun taking home weekly sight words cards. Please go over these with your child each night so they can instantly recognise the words which will assist with reading fluency. Yesterday we enjoyed learning about the ways in which we can be responsible and safe around animals. Year One are off to Awabakal on Friday March 21st to further improve their knowledge of Australia’s First People.

**1H**
We have started learning songs to sing at the Grand + Parents Concert that we hold annually. Please make a note in your diary for 2.30pm Thursday 20th March to see us perform.

**2T**
2T are working hard with their maths and adding bigger numbers with the help of their friends of ten. What great dancers they are too! Come and see us do the ‘Wombat Wobble’ at the Grandparents Concert. Don’t forget to come and lend a hand at the garden working bee on Thursday afternoon.

**3R**
3R are continuing to write fantastic passages as part of our Accelerated Literacy program. We are also enjoying learning about techniques used by Australian artists and how we can incorporate them into our own works. Come in and check out our Sally Morgan-inspired works in the office foyer.

**4S**
Our swimming carnival was a huge success! Congratulations on your fine effort and excellent participation, boys and girls. Thank you to all our parent helpers; our day would not run as smoothly without your help. We have been doing a lot of hands-on maths activities in the classroom and exploring difficult concepts through practical application. Keep up the good work, 4S.

**5/6H**
We’ve been very busy with our Pattern Re-writes based on “Don’t Pat The Wombat” with some very interesting interpretations! Great work. Remember to keep learning those tables. This week we’re up to 10x, 11x and 12x. Revision of all work is important.

**5/6V**
This term is rocketing along! We are having lots of fun learning how a writer uses language in accelerated literacy. Everyone is producing some excellent pattern re-writes. Don’t forget the money and permission notes for the Solar Sailor excursion. We will sail with the dolphins on Lake Macquarie!

**LIBRARY**
The Premier’s Reading Challenge commenced, officially on March 3rd, 2014! Tub of books have been, or will be placed into classrooms now. Make sure that you are part of this exciting, rewarding and stimulating reading adventure! Happy reading!

**COMPUTER BYTES**

Over the next four weeks while Mr Janetzki is relieving Principal Mrs Bell will be covering computer lessons. We really need to ensure each child has their own head set for each lesson. We would prefer ones with a microphone attached as we will be recording using a program called Audacity throughout the year. If you can also check the head set has the correct plugs as we have had a few children upset that theirs do not work. They need to have either a pair of 3.5mm audio plugs (for headphones and microphone) or with a single USB plug.

We still have a few students who have not returned the following notes:

**INTERNET PERMISSION NOTES**

These notes are due back ASAP otherwise students will be blocked from using the internet which includes Reading Eggs and Mathletics.

**PERMISSION TO PUBLISH NOTES**

This form is also due to allow students photos to be displayed if media are invited to our school or if students images are placed on our school website.

**STAGE REVIEW**

**Stage 3**: Students are continuing to work through the Cybersmart website. This is a great resource to encourage children to be more aware and cyber safe while using the internet or social media on any device. Following on from this the students will be designing a poster promoting cyber safety.

**Stage 2**: The students are also working on cyber safety similar to Stage 3.

**Stage 1**: Students are reviewing word processing skills using Microsoft Word. They have already typed their name and edited size, font and colour. Very clever indeed! Over the next few weeks the children will compose some alliteration sentences and again edit these using word processing features.

**ES1**: We will continue to discuss components of a computer as well as practise, practise, practise logging in using the DET usernames and passwords. We have some very talented Kinders who are already quite good at this! Well done! If you could help your child with recognising their surnames and maybe practise this if you have a computer at home that would be fantastic and will help lessen the anxiety that logging on can create.

**ABSENCES FROM SCHOOL**

Regular attendance at school is fundamental to student learning and has been identified as an import aspect of a student’s wellbeing. Parents are required to explain the absences of their children from school promptly and within 7 school days.

Thank you to all parents who consistently strive to get their children to school on time. Getting to school before the bell rings is important for each child as it enables them to socialise and develop positive friendships. Children who arrive at school after the bell need to be brought to the office by their parent to get a “Late Note” for their teacher. If your child needs to leave school early please call into the office to collect an “Early Leavers Note” to hand to their teacher.

**FOUND ITEMS**

Have you lost a camera lens or a small purse lately? If you have come into the office and see if the items we are holding belong to you.

**REMEMBER**

A reminder to parents to please make sure that all your child’s belongings are labelled with their name.

VOLUNTEERS

We appreciate the work that our wonderful parent volunteers perform at Charlestown East Public School. Your efforts enhance our School significantly and we would be the poorer without you. Having said this it is necessary to now advise that Department of Education and Communities regulations make the following necessary and we hope that you will continue to support the students of Charlestown East Public School.

During the course of the year we will be asking for volunteers in the classrooms, transporting of children and other associated activities. For you to be able to help the school in any way, including working in the canteen, you will be required by the Department of Education and Communities to complete a Working with Children Check.

The revised policy for volunteers working with children now requires that without either one of the following checks you will be unable to volunteer to work with children at the School. Please be assured that we recognise and understand the inconvenience, however it is Department policy and is in the interest of our School community.

There are two ways in which to complete the check:

1. Through the NSW Roads and Maritime Services at www.newcheck.kids.nsw.gov.au and complete a volunteer online application. Then take your application number to a Motor Registry Office with your proof of identity. **This check will be current for five years and has no cost to the applicant.** The original approval must be sighted and copied at the school and will be held on file for five years;

2. Complete an application at school and provide a 100 point proof of identity check. **This check will only be valid for the current year.** These forms are available at the office or on our school website.

Proof of identity documents required include (original documents must be supplied & copied at the school)

**Category 1** - (Only one form of identification from this category is required and counts for 70 points)

- Birth Certificate, Australian Passport, Australian Citizenship Certificate, International Passport

**Category 2** - (More than one can be counted from this category and counts for 40 points)

- Current Licence or Permit, ASIC/MSIC Card, Public Employee ID Card, Dept Veterans Affairs Card, Centrelink Pensioner Concession Card or Health Care Card, Current Tertiary Education Photo ID Card and Reference from a Doctor.

**Category 3** - (More than one of these documents can be used and count for 25 points each)

- Foreign/International Drivers Licence, Proof of Age Card(Gov. Issued), Medicare Card/Private Health Card, Council Rates Notice, Property Insurance papers, Superannuation Statement, Seniors Card, Electoral Roll Registration, Car Insurance and Registration, Professional or Trade Association Card.

We thank you for your ongoing support and understanding.
CEPS COMMUNITY GARDEN WORKING BEE

Don't forget this Thursday, 6th March at 3.15pm we are having a working bee to clean up existing garden beds, topping them up with leaf litter, grass clippings, manure and compost, ready for the autumn planting. Please bring your own tools such as shovels, spades, clippers, wheel barrows etc. A whipper snipper to do around garden beds and a hedger to do the climbing plant on the archways would be very useful as well.

The children have planted their seeds and will look after them in their own classrooms before they are transplanted into their own class garden bed. They are very keen and are most welcome to 'help' as well.

Hopefully come winter we will have some wonderful, fresh vegies to sell or give away back to you.

Looking forward to seeing you at the garden on Thursday afternoon. No gardening experience necessary.

Sue Timbrell
